

ROI of a board portal

A board portal is an investment. But what exactly does it yield?
Calculate here what it can deliver for your organisation:

	Hourly wage of corporate secretary		Number of board meetings per year:
<input type="text"/>		<input type="text"/>	

Part 1:

Activities before, during and after the board meeting

- Time spent preparing and gathering information
- Time spent on version control (updating documents, reprints and send)
- Time spent collecting feedback (sending out reminders and checking the documents)

Number of hours:

<input type="text"/>
<input type="text"/>
<input type="text"/>

Total:	<input type="text"/>	×		×		=	<input type="text"/>
---------------	----------------------	---	---	---	---	---	----------------------

Part 2:

All expenses before, during and after the meeting

- Printing costs
- Packaging costs (including folders etc.)
- Courier costs
- Archiving costs

Costs:
